TIPS FOR USING STENCILS:

1. To prevent the stencil moving use masking tape on the edges to hold it in place.
2. Use sponges, rollers or stencil brushes.
3. Use as little paint as possible to avoid the paint seeping under the edges. You can always do a light second coat.
4. Use a downward dabbing action from the outer edges of the stencil working to the inside area.
5. Wait until the paint is dry before removing the stencil.
6. To store stencils, keep them flat.
