**ARTYFACTS CD - THE ART OF TEACHING**

by Lesley Hodgson.

10VELS.....**30.00**.....**33.00** IncGST

This CD focuses on teaching and learning strategies in Visual Arts. It is based on the Victorian Essential Learning Standard (VELS) and aims to assist Art educators with planning, implementing and assessing current art curriculum. It includes aspects of: Developing learning using Art. Discussing creativity-what is it? How can it be nurtured? Investigating - Thinking through Art. Examining ways of developing program plans using VELs. Using standards and progression points for assessment and reporting. Auditing the Art program using VELs. Exploring Art dimensions. Providing practical art room hints. It provides teacher guidelines, program content, sample lessons, VELs correlation, assessment guidance, templates and practical advice.

* For professional services and advice, contact Lesley Hodgson by email at artyfacts@bigpond.com**ARTYFACTS CD - MAKING ART CONNECTIONS**

by Lesley Hodgson.

10VELS2.....**30.00**.....**33.00** IncGST

This CD focuses on Assessment and Reporting in the Visual Arts and has been based on the Victorian Essential Learning Standards (VELS). The disc contains guidelines for Art assessment, templates for evaluation, student work samples with teacher annotations, mapping student progress, using letter grades and useful strategies for teaching practice. A must for curriculum planning, as it links the VELs domains of Physical, Personal and Social Learning, Discipline based Learning and Interdisciplinary Learning with a whole year's Scope and Sequence document. It provides art educators with a practical resource to meet their needs.

* For professional services and advice, contact Lesley Hodgson by email at artyfacts@bigpond.com**ARTYFACTS CD 3 - BACK TO BASICS**

by Lesley Hodgson.

10VELS3.....**30.00**.....**33.00** IncGST

This CD focuses on developing student learning and their understanding of how art works are developed. The disc explores the art elements of line, colour, tone, shape, space and texture and how these are used to create portraits, landscapes, abstracts and still life pictures. It provides a range of art possibilities for Prep to Grade 6 students and practical ideas for planning a holistic approach to program development. Student work samples are included to highlight progression of skills, techniques and processes.

* For professional services and advice, contact Lesley Hodgson by email at artyfacts@bigpond.com**IMAGINE CD SERIES**

By Lesley Hodgson.

(Levels 1 - 4). This series of CD's focuses on Program planning and provides ideas for a variety of art lessons from the Prep year through to Grade 6. It outlines lessons for drawing, painting, print making, construction, textiles and modelling activities as well as art expectations for each level. To support planning, term planners, lesson plans, student work samples and assessment and reporting practices are also included. Here is a resource that will provide a foundation to develop a holistic approach to teaching art throughout the whole school.
